Paper Towns book synopsis

Paper Towns takes place in and around a fictional subdivision, located in suburban Orlando, Florida, called Jefferson Park. The novel focuses on the narrator and protagonist Quentin "Q" Jacobsen and his neighbor Margo Roth Spiegelman. As preadolescents, Quentin and Margo discover the corpse of a local man, Robert Joyner, who committed suicide after his divorce in their neighborhood park. Nine years after this incident, Quentin and Margo are senior pupils at Winter Park High School. One night, a month before their high school graduation, Margo appears at Quentin's bedroom window. She has devised an â
